# The Logical approach to housekeeping

*Polymer Construction is durable and easily cleaned - lowers your maintenance costs.*

*Integrated Tote System helps users manage small items - for smarter management of inventory.*

*Paperwork Management Center holds printed material - for convenience and lower operating costs.*

*Easy Add-on Accessories can be installed in the field - always giving you the right tool for the job.*

*"Hookless" Bag Mounting makes inserting and removing the bag easy. No lifting required or no grommet holes to tear.*

*Ergonomically-Designed, "Natural-Grip" Handle makes it easy to maneuver the cart - for better user comfort.*

*Locking Door Kit adds security - increasing safety and profitability.*

*Solid Shelf better supports linens and towels - for a smarter looking presentation in the guestroom.*

*Large Center Storage Area is a high volume solution - making every supply trip more efficient.*

*Side Storage Kits create additional storage - and expand your capabilities.*

*Easy Roll 8" Wheels make the cart simple and safe to maneuver over a variety of surfaces - for safe, effortless mobility.*

*PRO model shown with optional Corner Bumpers, Wastecan Bracket, and Under-deck Vacuum Bracket.*

► **FLEXIBLE:**  
"Increase capacity when you need it."  
The unique modular design of LODGIX™ lets you change the configuration of your cart on site, so you can adapt to change when—and where—you need it.

► **EXPANDABLE:**  
"Add components whenever you need them."  
LODGIX™ gives you the tools to efficiently improve your productivity. It's an intuitive, sophisticated materials management system without time-consuming training.

► **AFFORDABLE:**  
"Make every dollar count."  
This cost-effective system gives users the ability to change, to grow, to specialize their housekeeping functions without the cost-penalty usually associated with complex housekeeping systems.

**Options & Accessories  
give you the  
power to change.**
